Go, shine
in the
world

What have we been learning this week?

This week we have been learning all about winter. We enjoyed looking at what happens when water freezes and melts whilst playing with our penguins and other sea creatures. We also made our own winter tree art using water colours, masking tape and glitter.

As part of our learning about underwater, nursery explored what they might find in an underwater environment. They used their senses to explore different features of an underwater environment looking at shells, sand and rocks.

Rhyme of the week

Hickory Dickory Dock

Hickory dickory dock. The mouse ran up the clock. The clock struck one, The mouse ran down, Hickory dickory dock.	Hickory dickory dock. The mouse ran up the clock. The clock struck three, The mouse ran down, Hickory dickory dock.

In maths we have been looking at mass. Nursery explored weighing different objects around the classroom using the words 'heavier' and 'lighter' to compare.

How can you help your child with their learning?

We are now writing our names every morning before carpet time at 9am, therefore arrive in good time so your child can practise their writing.

Retell the story of the Three Little Pigs at home, encourage your child to recall the order of what happens and to join in with the repeated phrases. There is a helpful version on the BBC website under Mr Tumble Tales The Three Little Pigs.
