

## Sounds of the Week

Nursery have started to learn letter sounds during their phonics lessons. These are the sounds we learnt this week. Here is a link for you to practise these at home.

### Knowledge and Understanding of the World:

#### Buzzing bees

The children explored all things 'Bees' this week. Using our junk modelling, they made their own bee hives as well as their own non-fiction books using facts they had learned over the week.

### How can you help your child with their learning?

The children have areas of the classroom that are their responsibility to tidy and look after. Please give your child jobs at home to help remind them to look after things and have shared responsibility.

## Wiggly Woo Song

*(Sing to the tune of 'Wiggly Woo' or make up your own tune)*

There's a worm at the bottom of the garden,  
And his name is Wiggly Woo.

There's a worm at the bottom of the garden,  
And all that he can do,  
Is wiggle all night,  
And wiggle all day.

The people round here they all do say...  
There's a worm at the bottom of the garden,  
And his name is Wiggly Woo.
