Go, shine
in the
world

What have we been learning this week?

We started our phonics this week. In Nursery this begins with tuning into sounds. We enjoyed exploring environmental sounds both indoors and outdoors and playing listening games.

The children continued to learn about 2D shapes. They then used 2D shapes to create their own shapes masterpiece.

Knowledge and Understanding of the World: Celebrations

This week in Nursery we have been learning about birthdays and how they are celebrated. We enjoyed reading the story Kippers birthday. The children then organised a birthday party for kipper.

How can you help your child with their learning?

Go on a listening walk around the house. What can you hear? Look out for noises such as the toilet flushing, microwave, washing machine or fridge. This can also be fun on the way to and from school, can you hear cars, footsteps, birds or the wind?
