Go, shine
in the
world

What have we been learning this week?

This week in Nursery we continued to learn about Birthdays and how we celebrate. We made party invitations and practised our mark-making. We also made cupcakes for Kippers birthday party. The children enjoyed making birthday cake collages and they decorated the classroom with things we use to celebrate a birthday.

How can you help your child with their learning?

Tuning into different sounds is an important part of phonics, here is a link to a musical listening game which you can play at home. <https://www.bbc.co.uk/teach/school-radio/eyfs-listening-skills-music/zrthqp3>

Making shopping lists or writing cards and invitations is helpful for developing mark-making skills in a meaningful real context.
