Personal, Social and Emotional Dev.M observation checkpoint B-3 year olds.		Ongoing- classroom routines and boundaries. Focus on and consistently reinforce positive models of behaviour, positive models for relationships, thinking space, staff language for dealing with behaviour, child language for dealing with conflict, restorative conversations for resolving conflict. Reward systems: sticky labels with comments written. Dev. M. Observation checkpoint birth- three year olds. Set up and reinforce child self-registration. Activities to develop relationships, making friends, sharing and turn taking, dealing with conflict. Talking about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Support children to increase independence when selecting activities and resources. Ongoing-Health and self-care skills. Toileting, feeding dressing. Oral health.											
Communication and Language Dev.M observation checkpoint B-3 year olds.		Ongoing- Speaking and Listening skills. Vocabulary linked to book of the week and topic. Introduce words of the week - displayed on vocabulary wall (text and picture). Dev. M observation checkpoint Birth to three year olds can the child use around 50 words plus, frequently asking questions, putting three words together or more? Ongoing-Puppets and small world relating to the core book of the week and topic. Role play areas inside (Home corner) and outside (Builder's construction site) Daily - days of the week and weather. Makaton gradually introduced for frequently used commands such as stop, no, yes, walk, run, sit down, stand up, finished and signs linked to the topic. Weekly rhyme of the week displayed and sung daily. Bank of rhymes kept in a folder for children to return to. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Check understanding and explain new vocabulary when reading books.											

UPDATED 24.7.24

	Children to be encouraged to talk about what is happening in their environment and give their own ideas.	
Literacy – Reading and Comprehension	<p>Class reading library with a selection of information, topic and choosing books. Selecting books and handling them with care. Daily - Adults reading to small groups and whole class (story times and at the end of the day). Throughout the day topic books being shared with children (books throughout the environment). Regular sharing of books and discussion of children’s ideas and responses. Understanding key concepts about print: print has meaning, print can have different purposes and we read English text from left to right and from top to bottom. Weekly home reading books (Autumn 2)</p>	
Word Reading	Phonics- environmental sounds, word reading (print carries meaning), rhyme, initial sounds	
Writing	<p>Provide opportunities in the continuous provision for child initiated mark making activities e.g. clipboards outdoors, chalks for paving stones, boards and notepads in the home corner. Adult to act as scribe for description of mark making. Daily - writing the day and date (modelled writing) Choosing independent mark making activities each day linked to core book of the week. Children to use IT to mix marks. Children to trace their name.</p>	
Mathematics	<p>Daily - Maths songs, weather & day of the week, sequence of the day. Fast recognition of up to 3 objects (subitising). Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Explore 2D shapes using mathematical language. Make comparisons between objects relating to size & weight. Continuous provision- sand, water and construction</p>	<p>Daily - Maths songs, weather & day of the week, sequence of the day. Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Link numerals and amounts. Experiment with marks to represent numbers. Compare quantities using ‘more than’, ‘fewer than’. Explore 2D shapes using mathematical language. Make comparisons between objects relating to size & weight. Talk about and identify patterns. Continuous provision- sand, water and construction.</p>
Core books	<p>5 little ducks - Child’s play Dear zoo by Rod Campbell The smartest Giant in Town by JD Handa’s hen by Eileen Brown</p>	<p>One mole digging a hole by Julia Donaldson The Three Billy Goats Gruff When Frank was 4 by Alison Lester 5 little men in a flying saucer – Child’s play</p>
Understanding the World	<p>Ongoing- Festivals and celebration of the world, community & culture - Autumn, Harvest, Diwali, Birthdays, Bonfire Night, Chinese New Year. Weekly – environment small world linked to the core book. Using their senses in hands-on exploration of natural materials. Explore collections of materials with similar and/or different properties. Talk about what they see using a wide vocabulary. Begin to make sense of their own life-story and family’s history. Explore how things work. Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.</p>

English texts and genre	Narrative Street Child by Berlie Doherty			Non-fiction Newspaper reports linked to Street Child by Berlie Doherty		Non-fiction Living things (linked to science)	Whole School Project Week	Non-fiction cont.		Poetry Rainforests			
Reading Lesson text	Street Child by Berlie Doherty			Newspaper reports		Science books linked to Earth and Space		Science books linked to Earth and Space		Unmentionable by Paul Jennings (short stories)			
Story Time	The Last Wild (Piers Torday) Rooftoppers (Katherine Rundell)							The Unforgotten Coat (Frank Cottrell Boyce) Alice's Adventures in Wonderland (Lewis Carroll)					
Poetry recital	The Listeners by Walter de la Mare												
Maths	Geometry: Shape			Geometry: Position and Direction		Number: Decimals		Number: Decimals		Number: Negative Numbers	Measurement: Converting units	Measurement: Volume	
R.E. - Catholic	Pentecost – Transformation				Reconciliation – Freedom and Responsibility			Islam		Universal Church – Stewardship			
Visits / Visitors	Art: Visit to The Victoria and Albert Museum https://www.vam.ac.uk/info/schools Or DT: Visit to the Design Museum - Hands-on design workshop https://designmuseum.org/the-design-museum-campus/schools-and-colleges/hands-on-design-workshops							Science and Geography: Visit to Royal Observatory Greenwich, 'Sun, Earth and Moon' workshop and 'Universe on your doorstep' Planetarium Show https://www.rmg.co.uk/schools-communities/schools/royal-observatory-national-maritime-museum-greenwich-london-se10-9nf RE: Visitor in school to talk about Islam					
Science	Living Things and their habitats We are learning to describe the process of reproduction in many flowering plants	Living Things and their habitats We are learning to describe how plants can reproduce by creating new plants from parts of the parent plant rather than by producing seeds	Animals, including humans We are learning to explore the changes as humans develop to old age.	Animals, including humans We are learning to identify the changes experienced at puberty.	Earth and Space We are learning to describe the shapes, positions and movement of the planets in the solar system	Earth and Space We are learning to use a model to describe and compare the movements of different planets in space		Earth and Space We are learning to explain the effect of the Earth's rotation in space	Earth and Space We are learning to explain why sunrise and sunset occur at different moments in time in different parts of the world	Earth and Space We are learning to explain how the Earth's tilt leads to seasonal changes	Earth and Space Visit to Royal Observatory Greenwich, 'Sun, Earth and Moon' workshop and 'Universe on your doorstep' Planetarium Show	Earth and Space We are learning to identify the phases of the Moon and explain why these occur	

UPDATED 24.7.24

History The Mayan Civilisation	We are learning to know the time and place of the Mayan civilisation	We are learning to describe traditional Maya way of life	We are learning to explain Mayan religious beliefs	We are learning to explain what Mayan discoveries tell us about Mayan civilisation	We are learning to explain the collapse of the Maya	We are learning to explain whether the Mayans were an advanced civilisation (comparison with Stone Age Britain)	Taught in 1 st half of term				
Geography	Taught in 2 nd half of term						We are learning to describe different landscapes in Africa	We are learning about the landscape in Kenya	We are learning how Kenya is changing	We are learning to locate key features of Wales and England	We are learning to use 6 figure grid references on a map.
Art and design	Collage and Textiles (Working with Wool) We are learning to explore ways to alter cloth.	We are learning to embroider.	We are learning to weave on a twig loom.	We are learning to mark-make with wools.	We are learning to mark-make with wools.		Digital Media (Digital Towns) We are learning to practice and apply digital image-manipulation techniques.	We are learning to use text in Pixlr.	We are learning to create art using printed digital media.	We are learning to edit digital images.	We are learning to consolidate skills and techniques for image editing.
DT	Electrical Systems (Alarms)										
PE	Athletics (The PE Hub lesson plans – www.thepehub.co.uk) Rounders (The PE Hub lesson plans – www.thepehub.co.uk)						Tennis (The PE Hub lesson plans – www.thepehub.co.uk)				
PSHCE	Taught in 2 nd half of term						RHSE UKS2, Module 1, Unit 3, Session 1 Body image (TT)	RHSE UKS2, Module 1, Unit 3, Session 3 Emotional changes (TT)	RHSE UKS2, Module 1, Unit 3, Session 4 Seeing stuff online (TT)	RHSE UKS2, Module 2, Unit 2, Session 1 Under pressure (TT)	RHSE UKS2, Module 1, Unit 4, Session 3 Menstruation (TT)
Computing	Programming B-selection in quizzes To explain how selection is used in	To relate that a conditional statement connects a condition to an outcome.	To explain how selection directs the flow of a program.	To design a program which uses selection.	To create a program which uses selection.	To evaluate my program.	Taught in 1 st half of term
