Go, shine
in the
world

What have we been learning this week?

This week in Nursery, the children have been sequencing their daily routines, describing which activities we complete in the morning and those we do in the evening, after school. We listened to the story 'Night Monkey, Day Monkey' to help us understand the differences between day and night.

Our focus this week has been on hearing and speaking pairs of rhyming words. The children have been tuning into different sounds by making changes to rhymes and songs.

How can you help your child with their learning?

Go on a shape hunt at home or outside to help your child find squares, rectangles, circles and triangles in the environment.

Have a Merry Christmas and we look forward to seeing you in January!
