Go, shine
in the
world

What have we been learning this week?

This week we have been learning all about Lent and how it is a time to grow to be more like Jesus. As part of this learning we thought of different ways we could be more like Jesus everyday such as sharing, caring and helping our friends.

In maths, we compared groups of objects deciding if there was more or less in each group.

Knowledge and Understanding of the world: National Portrait Gallery

Last week Nursery enjoyed their school trip to the National Portrait Gallery, where they took part in The Bobeam Tree Trail. Whilst there they took part in a number of activities including observing the portraits, using magnetic pictures to match the outfits to the painting and creating their own self portrait. At the end of our trip Nursery put their self portraits into a magic draw which fed the Bobeam tree and helped it grow.

How can you help your child with their learning?

Look for signs of spring in the park or on the way to school. Your child could draw pictures of what they see such as; bird nests, spring blossom or flowers.

Reminder: Please return your child's blue reading record with the book from school every Thursday. We need to write the title of the new book and send these home on Fridays.

Mary, Mary, Quite Contrary

Mary, Mary, quite contrary,
How does your garden grow?
With silver bells and cockle shells,
And pretty maids all in a row.

Mary, Mary
Quite Contrary
