Dear Parents and Carers,

Year 5 enjoyed a visit to the **Royal Veterinary College (RVC)** on Thursday and had the opportunity to learn more about different jobs through a range of hands-on activities and career stations led by local employers, professionals and RVC specialists. The children arrived talking about dreams of becoming footballers and YouTubers, but left inspired by a whole new world of possibilities — from neuroscientists and vets to construction workers and beyond. A fantastic day of broadening horizons!

.With best wishes, Ms O'Donovan (Head of School) and Ms Richardson (Executive Headteacher)
